STEEL FOLDING CHAIR

USE: Whenever "easy chair" comfort is desired, and the versatility of folding seating equipment is necessary. The most comfortable folding chair made.

FINISHES: Unless color of metal parts and upholstery is specified all chairs will be furnished with metal parts finished in Bronze No. 2 and the upholstery in Spanish Brown.

OTHER FINISHES AVAILABLE: Maroon (Mahogany), Brown (Walnut), Opal Grey, Olive Green.

OTHER UPHOLSTERY COLORS: Green, Maroon, Red, Blue, Black, Ivory.

FEATURES: Durable steel construction—yet light and easy folding.

Unusually quiet in handling and use, due to exclusive mechanism and patented rubber floor contacts.

Wide, roomy seat gives extra comfort. Perfect posture construction for all statures is made possible by the extra dimensions. Special wing back design and extra size back rest permit any "at ease" position.

Space-saving and easy to set up. The roomy seat area enables chairs to be set up right against each other.

Item 26-C-7350 furnished with seat and back padded with hair and covered with high grade leatherette.

26-C-7350
LEATHERETTE SEAT
AND BACK

GUARANTEE:

Clarin Chairs are guaranteed against **breakage** under normal use for ten years as follows:

In the **first five** years of use all repairs of breakage will be made and transportation charges to and from factory paid by Clarin Mfg. Company, without expense to the user.

The **second five** years all repairs of breakage will be made without charge to the user, the user to pay transportation charges to and from the factory.

Item 26-C-7320

26-C-7320
LEATHERETTE
SEAT

USE: Whenever supreme comfort in folding chair equipment is desired. Particularly advantageous where audiences remain seated for long periods.

FEATURES: The Clarin chair permits relaxed sitting comfort. Roomy enough for those of more generous proportions—yet so designed it requires no extra floor space.

Size allows free clearance for the hips, and gives plenty of elbow room. Curvature of back rest promotes easy, normal breathing.

Durable steel construction. Light enough for easy handling, strong enough to support a half ton with safety.

Exclusive mechanism and rubber floor contacts insure against noise and disorder, in setting up, folding, or shifting around on the floor.

The most quiet chair of its class. Grips the floor. Correct posture design assures thorough comfort.
